MEASUREMENTS

Recommended minimum of 300mm space between backrest and wall

FEATURES & BENEFITS

CONSTRUCTION	Powder coated iron frame and legs	The underlying frame is constructed from iron providing strength, stability and peace of mind with a 5 year structural warranty
UPHOLSTERY	PU Fabric Upholstery	Finished in sleek PU upholstery the chair is textured plus soft to touch and easy to keep clean
MASSAGE MECHANISMS	Two separate massage mechanisms	Two sets of massage mechanisms provides twice the coverage - like an extra pair of hands massaging your back and legs!
MASSAGE PROGRAMS	Twenty automatic massage programs plus manual controls	Twenty automatic massage programs plus optional manual controls mean the Orbit has a mode to suit everyone from office workers to athletes
AIRBAGS	38 Airbags	Airbags at the shoulders, arms, calves and feet closely replicate the feel of an authentic massage
MASSAGE RAIL LENGTH	130cm SL track massage rail	The generous length massage rail easily accommodates taller users. The SL shape fits ergonomically with the human body - allowing the rollers to perform realistic massage techniques along the back, glutes & hamstrings
ZERO GRAVITY RECLINE	Zero gravity recline function	Three zero gravity (horizontal) recline positions enhance the massage experience by evenly distributing weight and creating a feeling of weightlessness
BLUETOOTH SPEAKERS	Bluetooth audio speaker system	Kick back with your favourite tunes while you enjoy a relaxing massage
VOICE CONTROL	Hands-free voice operation	Control essential functions without needing to reach for the remote control, by using the built in voice control commands
FOOT ROLLER MESSAGE	Adjustable strength foot rollers	Foot rollers for the soles and heels combine with the airbags to provide a relaxing full foot massage and relieve the stress of a long day
CALF MASSAGER	Articulated calf massager	The center section of the footrest moves between the calves to provide an additional dimension to the lower leg massage
HEATED SEAT & FOOREST	Infrared heating in the backrest and footrest	Infrared heating element warms the seat back and foot rest areas to increase bloodflow and enhance the massage experience
ARMREST QUICK BUTTONS	Quick buttons in the armrest as well as a touch screen remote control	Adjust your recline angle with convenient quick button controls in the armrest, as well as a touch screen remote control for fine tuning of settings
USB & WIRELESS CHARGERS	Keep your smartphone nearby and fully charged	With both a USB-C outlet and a wireless charging pad, you can keep your smartphone nearby and fully charged at all times
