FEATURES & BENEFITS

FRAME FSC certified Pine and Plywood frame

A sturdy frame constructed with sustainably sourced timber provides a solid and long-lasting base to the suite

FOUNDATION Heavy gauge steel Zig Zag springs

The foundation delivers long-lasting support & the first layer of comfort

FOAM Foam & fibre

The high-density layered foam offers exceptional support, while the luxurious top layer of fibre adds an extra dimension of indulgent comfort

UPHOLSTERY Stocked in Charcoal Teramo fabric with Silverstone coloured piping/welt

Teramo is a premium fabric with a soft, waxed finish and subtle sheen, designed for durability and everyday stain resistance. Light shading or marks from touch are normal and will soften and blend with use

MECHANISM Tested up to 150kgs at 25,000 cycles

This robust recliner mechanism boasts an impressive 150kg weight-loading capacity (30kg higher than standard mechanisms), ensuring reliable performance for years to come

TRIPLE POWERED Powered recliner, headrests and lumbar

Take comfort to a whole new level with recliners, headrests and lumbar support that all seamlessly adjust at the touch of a button, granting you the ultimate in customized comfort. Sit back, relax, and let technology tailor your comfort to your exact preferences

AIR BAG MASSAGE Massaging airbags in the backrest

Transform your lounge into a luxurious oasis with built-in massage function in the backrest. Indulge in soothing massages that help to melt away stress and tension, promote relaxation and enhance your overall well-being with every sit

HEATED LUMBAR Heated lumbar area

Experience luxury with heated seats, the gentle warmth helping to soothe sore muscles and provide comfort & relaxation

FOLD OUT SIDE ARM Fold out side arm provides additional storage, cup holder and USB outlets

Fold out side arm with USB ports, cupholder and storage compartment can keep drinks nearby and store small items like remotes, cables & magazines – all in a tidy space-saving panel that folds away when not in use

USB TYPE A & C OUTLETS USB outlets located in the folding side arm

Convenient device charging at your fingertips eliminates the need to search for an outlet. Charge smartphones, tablets, and other small gadgets while comfortably seated. USB outlets located in the fold out side arm

REMOTE CONTROL OPERATING INSTRUCTIONS

5V / 2A USB Port
Used for charging mobile phones

Lumbar buttons
Used to adjust the position of the lumbar area

Air Bag Massage button
Used to cycle through backrest massage modes:

Press once:	Mode 1	(alternating massage)
Press twice:	Mode 2	(pulsing massage)
Press three times:	Mode 3	(wave massage)
Press four times:	Massage off	

Auto shutdown after 30 minutes.

Allow 10 minutes between massage cycles.

Note: Lumbar and Air Massage functionality can't be used at the same time as they utilise the same air bags

Headrest buttons
Used to adjust the angle of the headrest

Recline buttons
Used to adjust the backrest and foot rest recline.

Home button
Hold to return chair to default upright position. When massage is active, home button will return only the headrest and recliner to the default position.

Heat button
Used to turn lumbar heating on or off.

Auto shutdown after 30 minutes.
Allow 10 minutes between heat cycles.
